Date: 1 November 2007

Elected Members
The Co-operative – United Region

Dear Co-operators,

Going Plastic Carrier Bag Free

Modbury became Britain's first carrier bag free town in May 2007, with Hebden Bridge following suit on September 1st as the biggest town in Britain to go plastic bag free.

Following enquiries from members and campaign groups The Co-operative is hosting a seminar run by the Bag Ladies of Hebden Bridge on

- Saturday 1st December
- Sandbrook Park - Rochdale OL11 1RY
- 11.45 – 12.30 – Light Lunch
- 12.30 – 2.30 – seminar

This is an opportunity to listen to the experiences, the highs and lows of running a campaign from the perspective of the campaigners and the Co-operative, to get tips and advice, and to work through practical issues in order to support your area/group to begin the journey.

If you would like to attend the seminar please confirm your attendance with me on 01706 202035, e mail david_bre@coop.co.uk or you can return the cut off slip below to me at the Co-operative Group, Member Relations Department, FREEPOST NAT21200, Rochdale, OL11 1BR

Yours sincerely

Dave Bretherton
Member Committee Manager
