## June 2012 Spring Newsletter

### Looking back

The Chapel Anniversary and Gift Day in October raised £1373 - thanks to everyone for all your support.  
The Christmas Fayre (formerly the Bazaar) changed its time as well as its title, starting at 11.00 instead of 3.00 and serving lunches instead of teas. This was obviously a good move, as we raised £762 (a big increase on the previous year). Thanks to all who came to help and support us.  
The united Christmas Morning service was held in the chapel and was enjoyed by all.  
The united Good Friday service was in the chapel, followed by the usual distribution of hot cross buns, the Christian community in the village joining to share the message with the crowds of visitors.

'Crease is still a bit damp...'

A new middle east crisis erupted last night as Dubai Television was refused permission to broadcast 'The Flintstones'. A spokesman for the channel said 'A claim was made that people in Dubai would not understand the humour, but we know for a fact that people in Abu Dhabi Do.'

If you think the graveyard is looking good, you are welcome to come and join the Tuesday Trimmers any Tuesday.

The same applies if you don't think it's looking good...

### Gift Aid

*I authorise Heptonstall Methodist Church to recover income tax on the enclosed gift and confirm that I pay UK Income/ Capital gains Tax at least equal to the amount of tax being reclaimed in the relevant tax year.*
