

# WHAT'S IN YOUR ATTIC?

**Saturday 23<sup>rd</sup> August drop-in between 10am & 2pm**

## **Heptonstall Museum**

Church Yard Bottom, Heptonstall, HX7 7PL

**As part of our 'Preserving the Past for Future Generations', initiative Pennine Horizons Digital Archive will be hosting a 'Scan-2-Save' event.**

**Local residents have a wealth of old photographs which we would love to make copies of and save in our collection.**

If you have anything that you would like to share then please get in touch with us or just bring the item(s) along to one of these events, where we will have the facility to make a copy right there and then, meaning that you will be able to take the originals home with you.

This is a crucial part of what the PHDA is about, which is, preserving our past for the benefit of future generations.

We are indebted already to so many local residents for allowing us to copy what is often, to them, a cherished possession, adding as it does to this fast growing Community Archive.
