As a consequence it was resolved to feed back the following comment to the Committee:

- Thanks were recorded for the hard work which was evident in the draft Plan

- The opening remarks would benefit from referring to 'One urban Town Council and Four Rural Parishes.....'
- The Appendix containing Parish Specific Policies was absent and this should be rectified.
- Policy 14: It was felt this would effectively veto Local Council commentary on issues outside a village envelope, and should be revised to allow for comment
- Policy 28: BRIAM is frequently revised which makes the policy as written unenforceable and requires revision (to relate to the latest version).
